## **Bob's Message**

January. The beginning. How many beginnings have we each undertaken? For me this is the beginning of the sixtieth year. But that's not the only beginning. We have all begun new years, new relationships, new families, new jobs. We have begun new experiences. New motorcycle rides, new adventures.

Here we are sharing another new beginning. 2003 holds a lot of promise for all of us. This year will bring each of us new and unique experiences. Some of us are learning about our new lives. Some are enjoying new homes. Some of us will relocate and find new friends or become reacquainted with old friends. I know there will be many new roads, many new rides in the coming year. My hope is to end this year with every friend I have now and many new ones to spice up the mix. I hope your 2003 is the best year of your life, so far.

As a chapter we have many things coming up. January will be a bit different since the chapter meeting will be on Sunday, January 19 instead of the 3<sup>rd</sup> Saturday. I haven't made the final arrangements on the location, but since Athens Burger is closed on Sunday it will be someplace else. I'll let you know by email.

We will be having some really good chapter rides during 2003. We will be having a chapter ride over Memorial Day weekend, probably a four day ride, which, if our tour director lives up to his reputation, will be spectacular.

We will be having some midweek dessert rides when the folks who volunteered to set them up start their planning and announce the rides. Hint, hint.

On June 21 we will be hosting an event to which we will be inviting all GWRRA members. This event will be a Mike Pendergast Memorial with the proceeds going to the Ride For Kids which was one of Mike's favorite charities. Debbie Pendergast will be the principal planner/organizer for this ride and she will be needing your help.

Elsewhere in this newsletter is the 2003 ride calendar which incorporates both the chapter and district events. We will know more about many of these following the Chapter Director's meeting to be held on January 18 in Fresno. In the meantime, you can start marking you calendar for some of the good times to come.

My wish for each of you is the best possible year filled with good health, much laughter and endless perfect motorcycle roads.

***Let's Ride!***

***Bob Hole***

## California News & Views

This will be the last time we will be communicating with each of you in this format. I am sure that all of you are aware that our time as California District Directors has ended as of December 31, 2002. We have enjoyed serving you as District Directors over the past 27 months.

We have done our best to provide each chapter everything they needed to grow and prosper while we have been your District Directors. We believe the District has grown closer together during this time. The attendance at our second District Rally is a good sign of that growing together as a District Family. The attendance was not the largest attendance but we had attendance from every chapter in California.

We have used the phrase “*California Wingers are Pure Gold*” and that is because we have found the GWRRA members in California are the best. And, we think that pure gold is the best of all precious metals. Be proud of your membership in GWRRA and participate in the Chapter of your choice.

Every Chapter has a different personality just like every individual has a very distinctive personality. Chapters are a reflection of their participating members. So get involved and enhance that personality that attracted you to your Chapter. Remember the first order of business in every chapter is to have *FUN* and you have to help bring that *FUN* to light.

Extend your participation to the Rider Education Program because that is where *SAFETY*, the second part of the *GWRRA Motto*, comes in to play. We all got into this because we love riding motorcycles and there is a natural danger in that sport. So we need to gain *KNOWLEDGE* about how to ride safer and how to assist our *FRIENDS* through the use of First Aid and CPR if the need arises.

We are looking forward to seeing all of our *Friends for Fun, Safety and Knowledge* on the road. Support your Chapter and participate.

*California Wingers are Pure Gold*

*Jim & Pat Moynagh*

FOR IMMEDIATE RELEASE

**INTERNATIONAL MOTORCYCLE ASSOCIATION ANNOUNCES  
25<sup>th</sup> ANNIVERSARY CONVENTION LOCATION**

The Gold Wing Road Riders Association (GWRRA) is excited to return to Madison, Wisconsin for its 25<sup>th</sup> Anniversary Wing Ding! Wing Ding XXV will be held at the Alliant Energy Center (formerly Dane County Memorial Coliseum) July 1 - July 4, 2003.

Next July's Wing Ding marks the fourth return of GWRRA's annual convention to Madison, the most to any city since the event's inception in 1979. Wing Ding was previously held in Madison in 1989, 1992 and 1996.

In addition to offering park-like, on-site and close-in RV sites, the Alliant Energy Center boasts more than 160,000 square feet of vendor space and an 8,000 seat arena. Remembering past successful Wing Dings, Madison's hospitality industry is already preparing to welcome the predicted 13,000 touring motorcyclists to their properties with special rates (see list of preferred hotels at <http://www.gwrra.org/wingding>), and will have plenty of hearty Wisconsin-fresh cuisine.

As always, GWRRA will offer the world's largest Gold Wing/Valkyrie trade show with hundreds of vendors. Along with educational seminars, a talent show, motorcycle drill team demonstrations, entertainment and many family-oriented activities, GWRRA is planning extra surprises to celebrate the uniqueness of this year's event.

The theme of Wing Ding XXV is "Family Reunion." As it is in many families, many GWRRA members see each other only once a year at Wing Ding. Delegates come to Wing Ding from every one of the 50 United States and 13 Canadian Provinces, as well as from at least 13 overseas countries.

The Gold Wing Road Riders Association is the world's largest association of Gold Wing/Valkyrie enthusiasts with 80,000 members in 50 countries. GWRRA, founded in 1977, is a non-political, non-religious social organization dedicated to the concept of providing a full-benefits association of *Friends for Fun, Safety and Knowledge* while working to improve the image of family-oriented, long-distance touring motorcycling everywhere.

**Dear Honda Gold Wing Owner:**

**As an owner of the world's finest touring motorcycle, we want to ensure your satisfaction as our valued customer. There are more than 25,000 satisfied GL1800 Gold Wing customers in the United States. A small number of owners, approximately 1%, have reported to us that they have experienced an indication of engine coolant temperature in the red zone. This is reported to occur in high ambient temperature conditions when the motorcycle is being ridden around 10 miles per hour.**

**While it is unlikely that you will experience this condition, if the temperature gauge does begin to rise, shifting to 2nd gear or altering your speed may reduce the operating temperature. If the gauge actually reaches and stays in the red zone, when safe to do so, the rider should pull over to the side of the road and let the GL idle. This will allow the fans to run and cool the bike rapidly.**

**In an effort to provide you with the best service possible if you frequently experience an indication of overheating, effective Thursday January 02, 2003, American Honda will open a toll free number exclusively for GL1800 customers regarding these matters. The number will be open 8:30 AM to 5 PM PDT at 1-866-784-1870.**

**We at American Honda look forward to contacting you in the future with an update on our progress and ultimately, by the summer riding season, a final resolution.**

**Sincerely,**

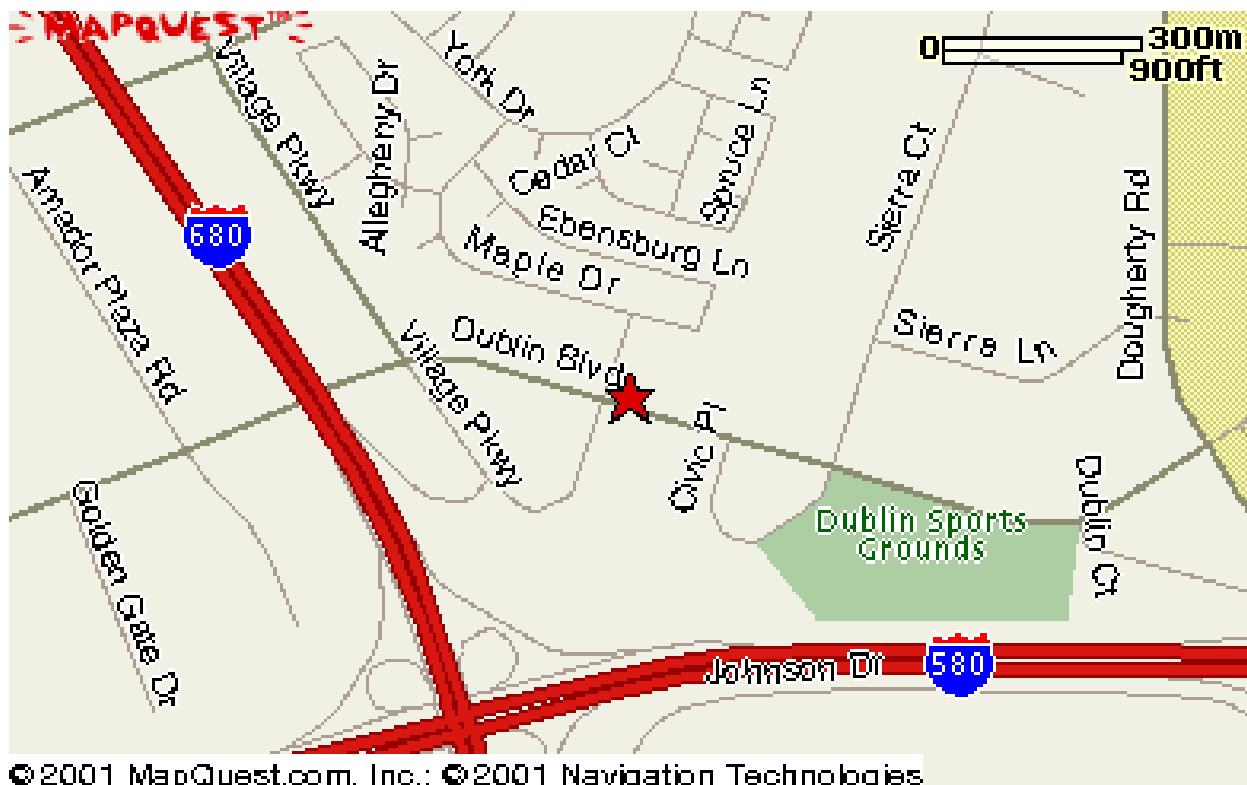

**American Honda Motor Co., Inc.**

**Ray Blank, Vice President  
Motorcycle Division**
