Chapter Director's Message

The month of September flew by faster than I would have ever anticipated. The District Rally in Bakersfield at the beginning of the month, a chapter camping trip and luncheon over along the coast, and many of us concluding the month with packing and rushing off to eat Chiliburgers in Idaho. For those that were able to participate, I'm sure you will agree that September had some great excitement and fun. I was especially pleased and surprised with the great turnout of so many members that made the trip over to Duncans Mills and the Blue Heron Restaurant for the September lunch meeting. The Chapter ride following the lunch meeting was an exceptional ride through some of the nearby coastal mountain roads.

Each new season of the year seems to bring it's own special qualities and riding a motorcycle is sure a great way to capture them. Now we are into October and the beginnings of the fall colors are beginning to show up on the roadsides. Some of us who went over to Horseshoe Bend, Idaho and back got a special preview of them, and I have to say they were spectacular! If you haven't gotten out on a ride recently to enjoy some of the new colors of the season, I hope you'll check them out real soon so you won't miss them.

Following our next meeting on September 15th at Gianna's restaurant we will be going up to Travis Air Force Base in Vacaville for the Air Expo 2005. This is a free event and open to the public. The expo will include various aerial performances by both modern and vintage aircraft, as well as static displays of military aircraft, vehicles and equipment. Due to heightened security measures on the base, all visitors will be required to pass through a metal detector prior to gaining entry to the Air Expo. Also, the following items will not be permitted on base: Back packs and gym bags, walkie - talkies and ham radios, coolers, glass bottles, weapons including knives and mace, etc. Also, smoking, pets and alcoholic beverages of any type are prohibited while at the expo. The base also ask that all visitors remain vigilant for suspicious behavior or individuals to ensure everyone's safety during the event.

For more information on the Air Expo 2005 event you can read about it on their web site at:

<http://public.travis.amc.af.mil/public/Air%20Expo%202005%20website%20template.htm>

I hope you can join us in October for the meeting on October 15th and the ride up to Air Expo 2005 immediately following our breakfast.

Golden State Gems

Well, another California District Rally is in the books. We want to take this opportunity to once again thank everyone who helped out in any way with the planning and various chores including selling tickets, giving classes and just running around taking care of business. Without your help, it wouldn't have been possible. All in all we think it turned out pretty darned good. We also would like to commend you all for your contributions to the Red Cross for the hurricane Katrina relief effort. After passing the 'Crazy Hat' we raised \$3242. Thank you all for your generosity.

We hope everyone had a GREAT time in Bakersfield. Even though we were REALLY busy most of the time, we did find some time to have fun ourselves. More importantly, if you had fun, then we did to! We were very impressed with the dazzling array of Crazy Hats that you all wore. Ricks personal favorite was Jim Zabler's 'Spam' hat. He has been calling him 'Meat Head' ever since. If you tried to explain to civilians exactly what happened at the rally, they would probably think you were lying to them. Especially since we do most of this kind of stuff SOBER. Or, as Rick says; 'This is the most fun you can have with your clothes on'. Even if it was Bakersfield! If you did find some time to take a ride, you may have discovered that there is some great riding country in the area. I heard some folks saying that they enjoyed the ride to Lake Isabella so much that they did it twice!

We really enjoyed getting together with all of our friends from all over the state and many others in the Region. After you have been in GWRRA for a while, you begin to realize that the social aspect of the organization is as much a part of the fun as the riding part. There's nothing like having dinner with 400 of your closest friends! When you talk to people about visiting other Chapters, you might want to remind them of this fact. After all, you are a member of ALL the chapters in the state so you might as well show up at a meeting once in a while. Our local Chapter, CA1F, has members on their list that are all over the state and even in some other states. It seems that once you have been adopted, we just can't let you go.

If you didn't make it to the rally this year, shame on you! Just kidding, we know some of you have other things to do over Labor Day Weekend, we just don't understand why. You mean some people have a life outside of GWRRA? So much of ours revolves around the organization; we forget some members have other hobbies and family activities to occupy their spare time. We had just over 500 attendees this year and as I mentioned above, 400 people attended the Dinner and Closing Ceremonies. We sure would like to have more people next year, so if you had a good time, tell a friend.

Speaking of next year, you would think that after a long weekend without a minute to spare we would have been dead tired and wouldn't want to talk about it. Apparently not, since we spent a good bit of the drive home talking to each other, and other staff (on the radio) in our Caravan, about what we could do to make next year better. We have already picked a location and the 2006 California District Rally will be in Santa Clara. The host hotel is the Marriott Santa Clara Silicon Valley located at 2700 Mission College Blvd, Santa Clara 95054. Their phone number is 408-988-1500. The papers have been signed, but don't call for reservations until we tell you they are ready for you. It's not carved in stone yet, but we think the theme will be Mardi Gras. Partly to celebrate the rebuilding of New Orleans, and partly because it would give us a good excuse to dress up and wear beads again. Not that we need a reason, but it makes you sound more sane when you tell non-members what you were up to that weekend.

Until we meet again: Ride safe, live each day to its fullest and don't look back.

Joyce and Rick Elmore, California District Directors

Camping with CA2Q

Our illustrious Chapter Educator, Mark Kratz has enjoyed motorcycle camping for several years and has worked to stimulate interest in this mode of motorcycle travel with the chapter for a couple of years. Finally he took matters into his own hands and planned a chapter camping trip, announced it and asked for participation.

Four hardy Goldwingers in addition to Mark showed up at the designated location, Ocean Cove Campground on the Sonoma Coast for a weekend of fun, food and laughter. I know Mark was disappointed in the small number of participants after the effort he had put into planning the event and making the arrangements, but the quality of the good time everyone had during the entire weekend couldn't have been better.

I have done some motorcycle camping in the past and have always approached it a bit like backpacking on a motorcycle. I take a minimalist approach, packing a tent, sleeping bag, backpacking stove and minimal cooking gear and utensils. On this occasion, I decided to be a bit more extravagant and put my small cooler on the back of the bike with a few items of food and beverage.

The others took a somewhat different approach and through careful planning and packing were able to provide themselves with somewhat more luxurious circumstances. Here's Keith ready to travel.

I think Dale Croy and Mike Reaves really should get the prize for extravagance in motorcycle camping. Dale was able to include a full size single mattress which completely filled his modest tent. Here's Dale doing some preliminary unpacking, and event which took considerable time.

Mike, through careful packing was able to include a tent which would have made and Sheikh envious. I was able to get an interior shot of Mike's place.

Mark clearly likes to eat and came fully prepared for serious gourmet cookery with a complete spice cabinet, steaks, beans, baking potatoes and an amazing array of cooking gear. The results for his dinner Saturday night were impressive.

Meal preparation was a fun time at camp.

Friday evening we decided to have a few fresh oysters as appetizers.

We had acquired some super hot mango sauce to go with the oysters so we were all interested to see Dale's reaction to the hot sauce before we tried it.

Of course along with the oysters we thought a martini would be a good idea. Here's Dale during cocktail hour.

Mark decided a serious campfire was needed, so made arrangements for an appropriate amount of firewood to be delivered to the campsite.

With our help, Mark made a valiant effort to work his way through the wood he had provided.

When I'm camping I find my sleeping bag pretty early compared to the others in CA2Q,

I'm also the first to make an appearance in the morning.

Thank to Mark and Dale for planning this fun event. Hopefully, the next time we do one of these, there will be a more enthusiastic response from the other members of the chapter.

Bob Hole

YOU CAN COUNT ON GWRRA

Members of the Gold Wing Road Riders Association came through once again with support for the American Red Cross, making it possible to assist victims of Hurricane Katrina.

At the recent District Rally in Bakersfield, a spontaneous passing of the hat at both the opening and closing ceremonies brought in a total of \$3,242.00 for hurricane relief. A check was presented by member and devoted Red Cross volunteer Edel Albright at San Diego Chapter headquarters to a delighted disaster team.

“It’s support like this from the community that makes all our work possible,” said Gayle Falkenthal, disaster public affairs officer. “We can do nothing without generous donations like these. We’re so thankful both for the monetary donation and also the donation of time by riders who are also Red Cross volunteers.”

Member Dan McNeill decided on the spot to become a Red Cross volunteer, and has since taken training in shelter operations for a possible assignment in the region hit by Hurricane Katrina. Other members are encouraged to take Red Cross volunteer training. Call 858-309-1200, or learn more at www.sdarc.org
