Chapter Director's Message

It was great to see both the high turnout of members along with some faces we haven't seen for some time at the February meeting! I was relieved after we had to make last minute changes on the meeting place. My apologies to those members who didn't get the message in time and may have ridden over to the Gianna's site. Gianna's announced the day before our meeting they simply wouldn't have the staff to serve our normal breakfast meeting, but our group could come in later in the morning when they normally open. As it turns out, I believe the Mimi's Restaurant will work out much better although I will ask them to start serving our breakfasts much earlier so (hopefully) we don't have a noise issue with the other customers in the restaurant. Of course, if we have a full contingent of members come each meeting, then we could fill the entire room with Chapter members, so I've set that as one of our goals for this year. Please make a special note, our Chapter will now be meeting at Mimi's restaurant each month and we will no longer meet at Gianna's.

Our expected guests for the February meeting from the San Jose Chapter, CA2S, decided that with the weather forecasts showing heavy rain for the day, it might not be the best time for them to come, so they would reschedule their visit for another time. As it turned out, the weather was terrific and sunny for most of the day, and we had a terrific turnout for the chapter ride up to Fairfield and also our lunch at Johnny Carino's along our final destination to the Capay Valley. We did experience some rain on the return trip to the Bay area later in the day, but didn't dampen the overall spirit and I'm certain everyone that participated in all of the activities of the day was pleased, I know I was.

I want to express my thanks to John Ballard for both his presentation on group riding and also taking the time to prepare the informative booklet covering the various aspects of riding in a group correctly. For those members who didn't make it to the February meeting, I'll be sure to bring extra booklets at the March meeting, so be sure to see me about getting one.

Remember too, that our Chapter Educator position is now open so I hope we can see someone step up to the plate and want to fill that important role in our chapter.

One last note, I know that most of us are just about to start a new season of motorcycle riding, so it is extremely important that all of the required maintenance and mechanical issues of our motorcycle are taken care of prior to any heavy riding. That includes good tires too, so lets make sure as a new season of riding begins, it is with a motorcycle that can provide many miles of safe riding. Please make it a point to go through your service manual and check to see all of the many important maintenance and service issues are squared away. Let's all think safety and have another great year of safe riding!

Thanks,

Dale Croy

Golden State Gems

Greetings Friends!

The riding season is on us and CAII has already had their annual Valentines run. Although Rick and I were not able to attend due to family business in Phoenix, we hear the weather was great and it was well attended. Now is the time to look at the ride calendar and make reservations for some of the overnights and weekend events. The next events are CA1M's bake sale on March 12th which is always very successful and then CA1R's Rally in the Valley, coming up March 24th-26th in Mesquite, NV.

Also, don't forget to make your reservations and send in your registrations for the Region F Rally over Memorial Day weekend in Elko, NV. The event actually runs Thursday through Saturday, the 25th, 26th and 27th. Something that didn't make it onto the registration form is the fact that there will be a Horizons seminar being held over Saturday and Sunday. Lunch is included, you are guaranteed to learn something and you might actually have some fun! The cost is only \$10.00, which is quite a bargain. If you are interested, or would like more information, please contact Anita Alkire via email at anitaalkire@kw.com as soon as possible so she can make plans.

We don't have a flier for the District Rally yet, but stay tuned. Don't forget that the theme is going to be Mardi Gras. It's nice to be ahead of the curve on this rally. We already have the rally pins ordered and we think they are quite nice even if we do say so ourselves. In addition, we have already stocked up on lots of fun Mardi Gras items while they were available. There will probably be a costume contest and we plan to invite each chapter to create their own center pieces for the table at dinner. Speaking of dinner, we have a plan that will hopefully make the seating arrangements a bit less hectic.

In case you haven't heard yet, there has been a new Chapter created in the center part of the state. CA2W is chartered in Clovis, which is near Fresno and Curt and Adele Levinberg, former CDs of CA2E are the first CDs of the new chapter. There will be an actual kick off event on May 6th and fliers are available on the District web site. They meet the third Saturday of the month at the Home Town Buffet in Clovis.

I guess that's all for now. Until we meet again: Ride safe, live each day to its fullest and don't look back.

Joyce and Rick Elmore, California District Directors

“FUN ACTIVITIES AT WING DING”

By now I hope all of the Chapter Directors throughout the Organization have received their Chapter invitation to come join in the “FUN”. We are coordinating “Chapter Get Together” for each individual Chapter designation in the Organization.

The Henry Horton State Park Restaurant has been reserved for 3 days (Monday, Tuesday and Wednesday) in preparation for these gatherings. The Restaurant manager, Jan Darnell, is looking forward to our arrival. Careful consideration has been given to the coordination of the “Get Together” so we will not overbook or overwhelm the Restaurant personnel and we do not want to take our Members away from the activities scheduled at Wing Ding such as the Opening Ceremonies, talent show and the Grand Parade.

Due to Opening Ceremonies from 8:00am until 9:00am and the talent show from 4:00pm until 6:00pm on Monday we have only lunch scheduled. On Tuesday due to the Grand Parade from 3:00pm until 5:00pm we have scheduled only breakfast and lunch. On Wednesday we have scheduled all three meals (breakfast, lunch and dinner). Each Chapter designation is scheduled for one of these meals and will meet in the Magnolia Circle at the North end of the Opryland Hotel at a designated time to ride to the restaurant.

Our Chapter Coordinators have made every attempt to make sure all Chapter Directors have been contacted, but due to outdated email addresses some may not have gotten the letters. If you are one of these Directors please let us know. I am including a list of Coordinators for each Chapter designation. Please contact them and let the coordinator know if your Chapter will be attending this “FUN” event. Just think sitting in a room with all Chapter “A’s” or “B’s”, etc. and socializing. This may be something you would want to do each year.

YOU CAN COUNT ON GWRRA

Members of the Gold Wing Road Riders Association came through once again with support for the American Red Cross, making it possible to assist victims of Hurricane Katrina.

At the recent District Rally in Bakersfield, a spontaneous passing of the hat at both the opening and closing ceremonies brought in a total of \$3,242.00 for hurricane relief. A check was presented by member and devoted Red Cross volunteer Edel Albright at San Diego Chapter headquarters to a delighted disaster team.

“It’s support like this from the community that makes all our work possible,” said Gayle Falkenthal, disaster public affairs officer. “We can do nothing without generous donations like these. We’re so thankful both for the monetary donation and also the donation of time by riders who are also Red Cross volunteers.”

Member Dan McNeill decided on the spot to become a Red Cross volunteer, and has since taken training in shelter operations for a possible assignment in the region hit by Hurricane Katrina. Other members are encouraged to take Red Cross volunteer training. Call 858-309-1200, or learn more at www.sdarc.org

“Not your typical rally”, you have heard us say. Well, the 2006 Region “F” and Nevada District combined Rally in Elko, is just that. We are departing from the traditional all seminar-filled rally with more things designed for socializing and just plain having fun. There will be individual events and events that require the teamwork of a chapter. Of course, we will have more than enough classes and seminars to keep you busy for the three-day rally. We will be conducting the ERC classes and MFA/CPR seminars for those members who need to keep their Rider Education Levels current. But, we are concentrating on those fun-filled activities that will make for a lot of fun while in Elko.

Why, Elko??? Well, there are a lot of things to see and do in Elko. Elko is a 5,000 foot-high city with a population of 35,000. The average temperature for Memorial Day weekend is 70 degrees. And the routes you will be traveling to get there are very scenic, too. U.S. 93 from Kingman, AZ to Wells, NV is a very pretty and scenic route over Hoover Dam, the Great Basin Highway, a Pony Express Station, etc. I-80 from Salt Lake City, UT is through some very pretty areas of the Ruby Mountain range. I-80 from Reno has several mountain peaks visible in the distance making for a very scenic and enjoyable ride, too.

Some attractions in the Elko area are: Northeastern Nevada Museum, California Trail, Newmont Mining Company tours, Western Folk Life Center, 35 restaurants, Elko Junction Shopping Center and East End Mall, Wal-Mart, as well as downtown shopping.

There are several scenic rides available within a 100-mile radius from Elko. They include Owyhee, NV, Lamoille Canyon, Harrison Pass, Angel Lake, Metropolis, NV, Tuscarora, NV, and I-80 east to Wells, NV and then U.S. Hwy 93 north from Wells, NV toward Twin Falls, ID. These are more than enough to keep you busy during the three-day celebration.

Remember, this is your Region. This rally is for you, the member, and it will only be successful if you are there. This is a combined Nevada District Rally and Region “F” Rally. Come see what changes we have made—we think you will be happy with them. We made these improvements because you asked for a different agenda. We need your support to make this rally a success.

We will see you there.

Steve and Robin Starr, Nevada District Directors
