## April 2007 Chapter Director's Message

Greetings members and friends! What a great time of the year with the days getting warmer and the sun shining each day. It just makes you want to go on a nice ride and do some exploring. I always enjoy April since we, as a chapter, traditionally go on our ride to the Yosemite Valley. Always a favorite of everyone, the park is always at its best with the snow-capped mountains and waterfalls running at their peak. This year, we will be heading up there again so I hope everyone has that ride marked in their calendar. It should be a great trip.

We had a great turnout of about 25 people for our recent trip organized by Linda Sciacqua to watch the "Wild Hogs" and then a great Mexican dinner at the nearby South of the Border restaurant. Judging by all the smiles and laughter that was in abundance, everyone had a great time. Thanks to Linda for all her great work and also to everyone who joined in on the fun.

The Rodeo Roundup continues with members criss-crossing the state to capture the other chapter's western items for the contest. If you haven't had a chance to join in on one of the rides to another chapter, I invite you to join in on the fun. It's a great way to see another chapter and meet some very nice people who share your passion for the Goldwing and riding a motorcycle. It's also a great way to renew a friendship with people you may have met on another GWRRA outing or maybe their visit to one of our chapter meetings.

Thanks again for all the participants great work and effort, and a special thanks to Jim Smith (and Lynda) for spearheading CA2Q's trips to these other meetings.

Remember that we have 2 MSF – ERC classes organized for Saturday April 28<sup>th</sup> and 29<sup>th</sup> at the MSF site in Woodland, Ca. and Pioneer High School just off Hwy 113. You must pre-register ASAP by contacting Gloria at (530) 662-0201 Ext. 3352. Cost for the rider is \$75 and if you have a co-rider there is an additional \$50 cost. Remember too, that if you have HRCA towing package, they will reimburse you up to \$75 annually for successfully completing this course. Actually, if you don't have the coverage yet and you are taking the course, buy the coverage now and you still get a great deal. Call now to make your reservation for either day. You'll need to be at the site by at least 11:30 am and the class starts promptly at 12:00. You will also need full motorcycle gear: over-ankle boots, gloves, helmet, visor or eye protection, over arm and leg clothes. The ERC class will be held at:

Pioneer High School  
1400 Pioneer High School  
1400 Pioneer Avenue  
Woodland, CA. 95776

We also have a First Aid/CPR class that Dennis Madsen has organized for anyone in our chapter to attend on Saturday May 5th so you can get your certification. This is a terrific opportunity for everyone and I encourage you to take the class if at all possible. You never know when you might have to use some first aid or life saving skills, so if you have the training you'll be in a much better position to provide this assistance. If you want to attend, you'll need to contact Dennis so he can order the necessary materials. You can reach him at [Dmadsen105@aol.com](mailto:Dmadsen105@aol.com) or [dmadsen@ci.fremont.ca.us](mailto:dmadsen@ci.fremont.ca.us)

Lastly, remember there is a 4 day trip at the end of May that Bob Hole is organizing that will be going up to Eureka, Ca. and some of the great roads and scenery in that Northern California area. If you want to go you should make your reservations at the Best Western Humboldt Bay Inn – (707) 443-2234 / (800) 780-7234, or online at one of many sites. Bob will be sending out more details shortly.

See you at our next meeting on April 21, 2007 and on the road.

## California District Golden State Gems April 2007

### Anita and JR Alkire

Well we've just arrived home, wallets a little lighter, from CA1M's unbelievable Bake Sale. What a fantastic time everyone had!!! The room was packed and we love seeing everyone from all over, 2Q, 2K CA-C, 1L, 1F, 1N, 1I, 1Z, 1R, (hope I remembered everyone), a special guest from No. Carolina (look for him at Rally in the Valley, I think he's convinced to come), but a beautiful sight to see was Sue, yes, and Rich

Blackburn! They looked fabulous! Sue and Rich had an accident and after 350+K safe miles, Rich is starting over. The good news, they will be starting over. Sue has some recovery time with 2 broken ankles, but her spirits are excellent and she is getting wonderful GWRRA support. The Chapter Meeting started the morning with Rodeo Round Up pieces given out, our District Educators, Rod and Jane McLauchlin officially installed Steve Damico and Jerry Cowan as CE and ACE respectively and then our COY/IOY Coordinators Bud and Mary Brinker presented the first medallions to a Chapter COY and IOY. The medallions just arrived on Thursday and we wasted no time getting them presented and will be presented to each COY and IOY within the next months. With the meeting over, the bidding began! Del, who has a crazy MOO Chef hat on, and his ACD Larry were the auctioneers. The phrase, "get in the game or get out" was used a couple times, even by me, as we bid up some unreal looking little cakes to over \$200! Not everything went for those prices, and many folks walked away with good eating loot, if there was any left after sharing with the room, but a great time was definitely had by all. CA2K and CAC were driving home and with the amount of sweets they have, no one will sleep and they'll be wired for days (oh Lord!!). This is CA1M's fund raiser and it looks as if they topped \$4,000! A bake sale isn't for every chapter but they are tons of fun!!

By the way, do you know where you can find your membership expiration date? Keep reading.....

We'll be off to 1S's ride next weekend and then to 1R's famous Rally in the Valley at the end of the month. We hope to see everyone at these 2 great upcoming events....and then there is April with Rendezvous with Q on the 15<sup>th</sup> and then 1Y's Tax Ride in Lompoc on 4/21.

It's very obvious that the Rodeo Round Up is in full swing, we can hardly wait to see the end results! Speaking of that, you should, by the time you see this in print, be able to make reservations for the District Rally in Agoura Hills. Your CD will be given the information from us so you can make your room reservations. This is shaping up to be an fantastic event!!! More to come later.

We want to share some knowledge that we're just really started to understand about a special side of GWRRA. This special side is called a SIG or special interest group. GW has several SIG's on a National basis, Lady Riders, Trike SIG, Camping SIG, RV SIG, Classic Wings and others. The idea behind the SIG's was to enable members who share a common special interest to have a way to get in touch with other members with that same interest who also share the love of a Gold Wing. They are not separate from GWRRA, and just as you don't "join" a chapter, you don't "join" a SIG. You express your interest in the specific SIG, they may have a sign up through a national web site, and when they have something going on they'll let you know. It's an activity that works in conjunction with your activities with your chapter, district or region. SIG's do not work without their association with GWRRA. As such, SIG's work with the Region or the District. When a SIG puts on an event, usually a ride for that SIG group they do so with the "blessings" of the Region or District so the event is covered by GWRRA and GWRRA's Insurance. A SIG does not engage in areas that are covered by GW, like Rider's Ed, they are designed and function to enhance specific activities of that special interest group. SIGS work closely with the Region or District to coordinate their efforts and keep the Region or District Director apprised of their activities. In California we have a Lady Riders SIG headed up by Pat Bennett, bennettapa@aol.com and have openings for other SIG representatives. If you have an interest in heading up a SIG,

please contact us, [jralkire@cox.net](mailto:jralkire@cox.net) with your specific interest and why you want the position, then we'll proceed from there.

So this brings me to one of my favorite subjects and that is on leadership. How does this apply to this article or to GWRRA? Well, it takes good leaders in every position to strengthen an organization. That is why each person is carefully chosen in each position from the Region Director to the District Director and then to their respective staff members. Each Chapter faces these issues as well. We introduced our tremendous staff to you over the last 2 months and they are all leaders. They show many of the qualities of good leaders: enthusiasm; confidence; cooperative and supportive attitudes; patience; encourage others to participate and come and play; they appreciate our members and encourage their contributions; they never dictate; they are sincere and honest, and most of all generous with their time and their essence. To quote from the Officer's Guidebook, "a selfish individual cannot fill the role of a leader. Self gets in their way. It takes real caring to be unselfish—to think of the welfare of others" and the California staff will always strive to live up to that quote. This is why they were chosen, when you are around a dynamic leader you generally can't get enough, you want to be around them more and more so you can "follow" their lead. So we chose your leaders carefully, always asking, in the words of John C. Maxwell in his book 25 Ways to Win with People, "who specifically can help me do a better job than I can do alone? Who is just waiting to be asked to join in what I am doing?" and we are humbled and most appreciative of the wonderful staff we have surrounding us. Together we have become your "Full Steam TEAM" and we look forward to making a difference in your life, one member at a time!

Oh, you can find your membership expiration date above your name on the address label of your Wing World magazine. Just a little help tip ☺

Til next time, be safe, be happy and all aboard the Full Steam Team!
