Chapter Director's Message

Hi everyone, I hope now that we are nearing June and the summer season, you are ready to enjoy a great season of riding. We seem to have our normal fair share of people doing some fun trips throughout not only California, but all across the United States and Canada so I just want to wish everyone some great and enjoyable trips and to remind you to put safety first on your list of things to remember.

In our Motorcycle Safety Foundation classes, students learn that motorcycle accidents rarely have a single cause. There is usually an interaction of factors that accumulate, and at some point in time they come together in such a way to produce a hazardous situation that can lead to crash (many safety professionals don't like to use the word "accident." Crashes are predictable and also preventable). Your responsibility as riders is to constantly be applying a strategy of what we refer to as **SEE**: to Search, Evaluate, and Execute. Search for all those factors that can lead to risky situations, to evaluate how those factors might interact and create risks to you, and execute the action(s) necessary to always maintain your margin of safety.

Also prior to each and every ride ask yourself if you are ready both physically and mentally, is all your "proper" gear ready for both you and your passenger (i.e. DOT approved helmets, gloves, jacket, pants and over-ankle boots), and is your motorcycle ready (i.e. you have performed a full T-CLOCK inspection of your motorcycle) so you know it is safe for the pending ride or trip?

Let's all have a safe and enjoyable motorcycle season. Be the best and safest motorcyclist you can be while out on the road, and let's come together and share the fun stories and photos of all these wonderful rides and trips that are going to happen.

See you on the road, and be safe until we all see each other again,

Dale Croy

Anita and JR Alkire

We'd tell you that we are exhausted with all the riding and visiting that we have done in the last month, but we'd be doing it with a smile on our faces! We love getting out and seeing all of you, but my Mom and Dad are starting to wonder if there is any family time scheduled? Well, there was, we spent Mother's Day with them right after we rode the beautiful

hills of Malibu. Chapter 1K put on a fabulous event and those who missed out missed a day of sun on the beach, with fabulous food and breathtaking views from the twisty roads of the Malibu hills and famous Mulholland Hwy. Don't miss out next year, this is definitely worth attending.

But we started our journey to Lompoc, an unbelievable dinner at the Hitchin' Post in Casmellia and then a lovely time visiting with 1Y on their Tax Ride. They unveiled a new pin this year with their cute little mascot, the little yellow rubber duck, so 1Y is officially the rubber ducks ☺ Yes it was raining and yes we were in the car, but sometimes that is just the way it is. It was gorgeous on Saturday and we were sorry we were in the car, but coming home on Sunday we were pleased (no Del and Chapter M, we did not smirk at you as we went by in the car).

Then the western theme was really kicked off at 1V and Lois and Karl took the prize in their fabulous attire. The venue at Peggy Sue's was wonderful as usual and it was also great to see Judy with smiles and hugs. It was also great to see Priscilla, look out, she is getting stronger and stronger and she can pinch ☺

We also had the pleasure of attending Chapter 1R's 25th Anniversary celebration. It's amazing to think of a California Chapter being 25 years old and being vital and vibrant and still having tons of fun and all loving each other. Ray and Nancy even found charter members to attend. With their fabulous volunteers, the Chapter did a fabulous job celebrating their awesome chapter. Happy Anniversary Chapter R!

Then it was up to Fresno for 2W's 2nd annual event and another Cinco de Mayo celebration. Mary must have worked for weeks preparing all of the tamales and they were excellent. I have always been "jealous" of those folks at poker runs who win tires, well, we have now joined those ranks, WE WON TIRES! Thanks 2W for a great event!

So as you can see, we've been busy and we are getting ready to leave Thursday for Region Rally and I know we'll see many of you there. Have safe travels!

A wonderful note to tell you, Donna Pickens, one of our Assistant District Directors had shoulder surgery and she is recovering marvelously. Send her all your good thoughts and well wishes.

We at district have started a member recognition program. Although we can't be everywhere (and you don't want us everywhere☺) we do observe or hear about members going out of their way to help other members or be generous of nature and spirit. At Chapter R's wonderful 25th anniversary meeting we gave away our first "Above and Beyond" pins to Jim Pulley and Pat Lewis. Jim gave up his room at Rally in the Valley and moved in with Pat so that the Queen Mum could have a room. This was an inconvenience to all but friends came through for friends to work it out, thanks again guys. We then attended Chapter I's meeting to award our next recipients but they were out doing exactly what we were recognizing them for. Monty and Lucy each year put on a home cooked meal, they pay for everything and just ask for donations for Ride for Kids. As I understand it, they raised \$3,000+ this year! These folks are to be thanked for their unselfish acts to promote GWRRA and live up to our motto of "Friends for Fun, Safety and Knowledge" and going

above and beyond to make all of us look good. If you know of someone that we should be recognizing, please call us or email us and let us know because we are looking to make a difference one member at a time because it's you that makes this such a fabulous organization.

So on the knowledge front; we want to announce to you that we have scheduled a Horizon's Program here in California. It will be August 10-12th at the DoubleTree in Bakersfield. Why Bakersfield where it will be too d___ stinking hot? Because we want to keep you in class and because it's a central location in the state. The program will start Friday evening at 7PM with an overview and introduction; we'll work all day Saturday, lunch included, and ½ a day on Sunday. What is Horizon's? It is a leadership program. Who should attend? Everyone!!! It's not just for future CD's, it's for anyone who wants to understand more about GWRRA and about themselves. It's an eye-opening experience and it's FUN! The cost will be \$25, yes that does include the lunch, and your room cost is \$92/night. We will have a registration form out before Region Rally and we will post it on the District Website. When we first joined GWRRA we attended a Horizon's Program at the Doubletree in Bakersfield and found the information useful and it answered a lot of questions about the organization. We met folks that we are still fast friends with and we had a blast. I told the hotel that I was expecting 75 people to attend! Please prove me right. We will be opening this up to other states as well as Nevada has expressed an interest and others. I promised to do a Horizon's Program in California and here it is, we've taken the program as students twice and we taught it and we are looking forward to teaching it again. So come and be a part of a fantastic program and come and play with your friends.

All aboard,
Anita and JR
