Chapter Director's Message

Alan & Shirley Jarumay

This past January's Chapter gathering was the first for Shirley and me as Chapter Directors. It was a great relief to have that first one out of the way. Analyzed as an "Introvert" as per the "Horizon" personality test (which I don't contest), it was no picnic for me to stand in front of a crowd and speak. The fact the crowd was made up of friends made it much easier. I'm also grateful to have my "other half"; Shirley was able to spell me and provide a good amount of the presentation. It's also good to have a team behind you. Steve Foster (our Educator candidate) provided an excellent thought provoking analysis of breaking in brand new tires. Pat McComas talked about the after-meeting ride and his thoughts on adding more chapter rides to the monthly schedule. And I want to give a special thank you to Linda Sciacqua our Sunshine Person for the extra effort she had taken to make one person's birthday acknowledgement a little more special.

We had a lot of "fresh faces" in the crowd. Actually, it was more of "Refreshed Faces". Folks like Bob and Jean Tobin. Bob just returned from the east coast where he spent a self imposed year plus sabbatical to find his soul. He finally realized it never left CALIFORNIA!! ☺ Joe and Debbie Evans were charter members of CA2Q. Lee and Ardie Head also long ago members. And last, the legendary Bob Shelton. His name we often heard spoken but a person we rarely saw. Maybe that will change and his schedule can permit more frequent visits.

We have a busy schedule coming up. Our welcome mat needs to be dusted and put out as the "Ride of Fame" competition begins February. Sister Chapters from all over the State can come a calling. Shirley and I will be hosting our first "Staff meeting" at our home Saturday February 2nd at 10am. The next day Sunday February 3rd is our chapter's first Planning Meeting of 2008. It'll be held at Steve and Jacque Foster's home beginning at 1pm. Shirley and I strongly encourage everyone to attend. It's your input and ideas that determine the rides and event gatherings we schedule. We do realize it's SuperBowl Sunday and apologize we were unable to accommodate another date.

The last couple of weeks our weather in the bay area has been pretty wet. I'm sure a lot of us have had to put off riding. But when the weather does break and you're able to schedule those rides to places you found particularly interesting, don't hesitate. Share the enthusiasm by writing an article on your experience. Don't consider whether or not our members are already familiar with the road or destination. People are interested in reading what you experienced. It could also bring up the thought "It's been awhile since I was on that road, I should take it again." It may also help to have a picture or two.

Stay safe everyone.

Alan J.

January's After Meeting Ride

CA2Q's January ride after the chapter meeting was a short destination ride to Alameda Naval Air Station to visit one of the most distinguished Aircraft Carriers to have survived World War II. The USS Hornet. Nineteen chapter members enjoyed the company of and the passion of the docent's on board the ship. Jim Burke was our docent, and he had actually served on the ship in the 1960's before it was de-comissioned on June 26, 1970. This was also the 12th and final Hornet to have served in the Armed Forces of the United States. A very proud heritage and a national treasure right here in our own backyard!

I really love looking at our wings - Beautiful Bikes!

Fresh Faces at our February Meeting

It's always nice to rekindle old friendships – welcome back Bob and Jean Tobin!

Mr. Shelton – It's always a pleasure having you in attendance!

This lovely couple is Lee and Ardie Head – Original CA2Q’rs!

And finally this couple is another original CA2Q couple – Joe and Debbie Evans

Familiar Faces – New Jobs

Say hi to Mr. Bob Hole. He's CA2Q's 2008 Individual of the Year. Bob's unrelenting dedication to motorcycling in general and to CA2Q in particular have earned him yet another accolade. Bob is always ready to offer help and suggestions for routes, rides, waypoints, vistas and views all over California and indeed the whole Western USA. No one knows the Bay Area Backroads better. Tell the truth now. How many people do you know that can nose their way through the backroads of the Bay Area and turn what would take less than 40 minutes on the freeway into a 2 ½ hour ride through the beautiful East Bay Hills – all without a Map on board or a GPS route? First class asset to CA2Q.

January also saw Alan and Shirley introduce a new Couple of the Year. This year the honor went to Jim and Lynda Smith. Shirley was very generous in her praise of the Smith's efforts on the Chapters behalf. Including their efforts at organizing and hosting several events at their home – which is now officially called the CA2Q Chapter House #1. Somehow Jim also got talked into being the Newsletter Editor too. Funny how things like that happen.

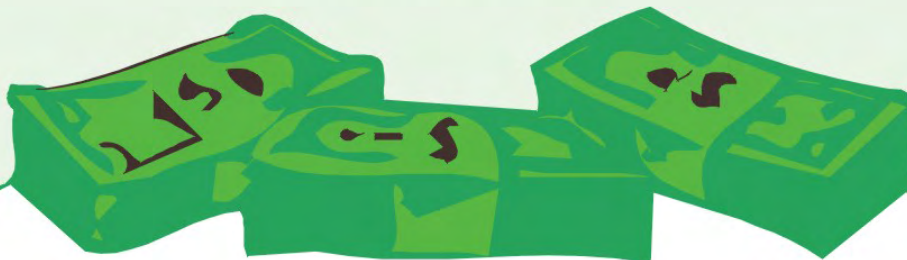

REWARD

Wanted

Another Chapter Director like outgoing CA2Q CD Dale Croy. Dale faithfully served our Tri Valley Wings Chapter for the last three years. During his tenure we saw our chapter grow and prosper, with 2007 being a truly stellar year, where we participated in chapter rides to Death Valley in February to yet another long weekend ride doing our first scavenger hunt in Dunsmuir and an end of the year ride to Hearst Castle in December.

Well done Dale, well done indeed

Anita and JR Alkire

What a fun meeting we had with the Officer's! We did some planning, learning and some socializing. The feedback has been great and we are looking forward to implementing change in 2008!

Rider Education:

We are pleased to announce the appointment of John and Joan Garrett as the CA District Educators! John and Joan are members of 1Z where they have been assisting with rider education duties. John and Joan are certified instructors for Rider Ed and they are looking forward to sharing their passion for Rider Education with you. They will be sharing the rider education responsibilities with Assistant District Educators Mike and Elma Maury who will continue with their fantastic work presenting rider ed seminars. If your chapter needs rider ed seminars from a certified instructor (which is the only way they will obtain their co-rider card or group riding acknowledgement, or road captain rocker) then call Mike or Elma directly and they will set you up. Then assisting with field activities we are pleased to welcome back, this time as an Assistant District Educator in charge of field events, Ralph Richardson. Ralph does an incredible job in putting on PLP's and of course the Skills Games. He has graciously agreed to head this area of Rider Education up. We are looking for more volunteers to assist with Rider Education. The more we can share the responsibilities the easier it is for all of us. If you share a passion for Rider Education, email John at jngarrett@verizon.net and let him know of your interest.

With this news, we want to say thank you to Rod and Jane McLaughlin for their service as last years District Educator. We appreciated all that you did and wish you good health and happy rides.

District Rally:

We asked you last year for suggestions for the location for the District Rally. There were 2 top vote getters and they were very close. We did not have time to put a rally on at your first choice, Lake Tahoe, BUT with a very close second, The DoubleTree Hotel in Bakersfield is excited to have us return. Now before you start with "it's too hot in Bakersfield in August", the hotel has created some exciting spots for our vendors, inside the hotel and on their covered patio. AND 2 chapters are working on some fantastic rides will be lead or self lead into our beautiful mountains. Remember the fantastic pool party, just wait for this year, it will be even better! Chapters don't forget to get your banners out (or made) as the hotel invites you to hang them from your balcony railing. The theme is Hollywood and we have some fun activities planned. Each chapter has chosen a movie. They will dress in character during the rally and will put on a skit "from" their movie at the talent show (this will be a talent show you won't want to miss!). At the conclusion of the talent show each chapter will walk the red carpet to the after star party! So look for the flyer coming out soon and get ready for an exciting rally! Got suggestions? Send us an email.

District Ride of Fame:

The new District game is about to start (well it probably has by the time you read this). The game will tie into the rally theme of Hollywood. It is a ride of fame instead of a "walk of fame". It is also calculated by % of chapter attendees so that it doesn't matter the size of the chapter, we can calculate the % that you came with based on the average from your active membership. Many things are similar to last years game except you are collecting stars. The stars will identify the chapter they are from and should be "personalized" by the chapter. So get ready to ride and visit your extended family.

Region Rally:

The Region Rally this year will be in Canon City, Colorado and it will be August 14-16. The rally is being held in conjunction with the Colorado District Rally. Our new Region Director is hoping to have it back on Memorial Day weekend in 2009. Watch for early registration and remember if you can't attend a rally, even one of our local poker

runs, send in a registration with a note that you won't be in attendance (so they can plan their food) and that you wanted to support their chapter event. It's a nice way to show support and actually cheaper for you since you save on travel, the down side, you miss GWRRA hugs!

So we are off and riding for 2008, first up is the Valentine Ride on the 9th so we hope to see many of you there. Check the District website for poker run dates, get your calendars out, plan those great rides and we'll see you down the road!

All aboard for a star filled 2008!
